Walk the Italian Campaign

9th - 13th September 2026

16th - 20th September 2026

The Frontline Walk: Italy traces the historic battles of the WWII, following the route taken by Allied forces during the Italian campaign.

Walking from the Salerno beaches up to Monte Cassino, follow in their footsteps as we cover key sites like the British Military Cemetery, Minturno War Cemetery, the Gustav Line Museum and more. The journey concludes in Naples, giving walkers time to reflect on the courage and sacrifice of those who fought.
